

Welcome to Herb River Bluff. We are glad to have you as part this Community!

**Contact information:**

Email address: [admin@ecoastalmgt.com](mailto:admin@ecoastalmgt.com)

Phone number: 912-354-7987

Address: 2702 Whatley Ave. Suite A-3  
Savannah, GA 31404

2 headlight gate readers will be issued per home as part of your closing package. If you would like to purchase additional readers, this may be done at anytime for \$25.00 per reader.

You may put one name/phone number for each reader in the gate system (you may also only choose to have one name).

You will be provided with an entrance code in addition to the remote, which you will receive with your readers. This code should be given to people in your household to access the community when you are in a car without a reader. Do not give this code to delivery people etc...

The gate will be open from 7:00 a.m. - 7:00 p.m. during construction.

- As you approach the community, the reader will gain signal and open the gate.
- When a guest visits your home, they will locate your name in the call box according to the directions at the box and then press call. The gate will then call the phone number that you provided. If you wish to allow this guest into the community, you will simply press "9" on your phone, once you hear a tone the gate should open to allow them access.
- If you want to use the entry code to open the gate, you must dial # then your four-digit number on the call box

Please complete the following information for your gate access. You may list only one name/phone number or one name/phone number per device.

Name to be listed in the gate: \_\_\_\_\_

Phone number listed with this reader: \_\_\_\_\_

Name to be listed in the gate: \_\_\_\_\_

Phone number listed with this reader: \_\_\_\_\_

Lot Number: \_\_\_\_\_

Address: \_\_\_\_\_
