

Lap Siding and Board & Batten:

Allura Siding in Natural Clay

Because Allura finishes uses factory-applied **Sherwin-Williams Industrial Spectrum coatings**, the colors correspond directly to specific codes. Sherwin-Williams maintains the exact formulation digitally in their store system, so an associate can mix it flawlessly without needing a physical sample, through the **SherLink network by navigating to the "Marketing Tab" and selecting "National Accounts"**. Tell the Associate that you are looking for Allura Siding Natural Clay.

Shake Siding and Shutters:

Work is Still in Progress to Identify and Match
